Added 50% To Tire Mileage

A Boston tire dealer, for three years, has gathered data on Miller Tires. And he reports as

Users find their tire mileage increased from 50 per cent to 75 per cent. Blow-outs have been eliminated.

Uniform mileage has been accomplished. Only six tires in 1,000 come back for adjustment - only five Miller Cords in a year. A Louisville dealer compared wear and mileage on 116 styles of tires which he repaired. The con-

stant Miller supremacy has caused him now to handle the Miller Tires only. A California stage line made million-mile comparisons with 21 leading makes. And the Miller won by long odds. You owe yourself a comparison
